

Omega

We enjoyed a gathering in December, a dinner at the home of Judi and Max Weaver with co-hosts Robbie and Jim Nash. Many seem to enjoy this outing every year so we have a large attendance. This year's caroling was interrupted occasionally by Santa Max reading letters written (by those present) to express our fondest wish for the season. The group then guessed who wrote the anonymous letters! It was a fun exercise in learning more about each other.

We recently brunched at Coco's February Sundays fundraiser for Stivers School. We had about 20 present to enjoy the fellowship, food, and music presented by an excellent a capella group from the school.

There are several possibilities for our Presby Group in the future: a possible work day at Kirkmont camp, a tour of the oldest Catholic church in Dayton city, a picnic, and other gatherings. We meet once a month for an event planned by whatever members take the responsibility to host.

An Omega celebration at the home of the Preissers and with co-hosts, Rex and Sharon Jones. The chili supper is an annual event with us! Here it happened to coincide with a special birthday of Andrea Gillespie!

Here is a picture of the Omega Presby Group from November 2015. All of us but three were present!
